Entrance fees to venues plus coach costs sometimes make it too expensive for a high percentage of our members.</p> <p>It was confirmed that membership for Gold members is £15. Silver members £12 and non members PAYG.</p> <p>Review of the Constitution regarding the age of joining was discussed and decided it should be 50 years and over.</p>	ALL
5	<p><b><u>Any other business</u></b></p> <p>A new member, Peter Freeman commented that he thought that RTF was female orientated and suggested that there should be something for the male members - mentioning 'cribbage', saying people could meet at his house and he would be willing to teach the game. Derrick replied to this suggestion saying that a mention of this would be included in our next mail shot saying if anybody was interested to contact him.</p> <p>Maureen suggested a weekday lunch club.</p> <p>Another suggestion was for a tea/coffee and biscuit gathering to be held after Friday Keep Fit classes, say, once a month. This would be advertised as open to all members.</p> <p>Questions were asked by members regarding the 'points for outings' system introduced approx 4 years ago when points were awarded for every outing attended by themselves and their guests which would be rewarded with a free outing. No answer could be given as Sarah holds these details and was absent. Derrick will contact her to obtain information.</p>	DB
